

Mahi

Mahi, meaning 'our work, our craft', began in 2001, fulfilling a dream for Brian and Nicola Bicknell. With a strong focus on single-vineyard wines, and now backed up by a series of premium regional wines from Marlborough, the idea behind Mahi is to respect and promote the individuality of the various vineyards.

The Mahi symbol represents the strength, life and growth of the native New Zealand frond (fern), with the understanding that wine should never be rushed to bottle, respecting its ability to evolve naturally over time.

2008 Mahi Boundary Farm Sauvignon Blanc

This wine displays a combination of tropical and herbal notes on the nose. On the palate the influence of the wild yeast and oak component combine to give lifted stone fruit characters such as nectarine and dried apricots. A rich and full style of Sauvignon Blanc.

Winemaking details

This wine comes from a small hillside parcel on the southeast boundary of the township of Blenheim. The vineyard is run by Perry and Stephanie Gilbert, who also live on the property, ensuring great attention to detail.

The north-facing aspect means that the grapes receive as much sunshine hours as possible helping them to ripen well and are often some of the earlier grapes of our vintage.

The grapes were 100% hand-picked, whole-cluster pressed and taken straight to French barriques (10% new oak) where it was fermented with indigenous yeast, helping add to the complexity and texture.

The wine was left on yeast lees for eleven months, which were stirred regularly. This meant that the yeast added both savoury notes and also served to work as a natural fining agent.

Vintage

The 2008 crush was a very quick vintage for us. There were two rain periods during harvest, however our picking schedule enabled the fruit to handle this and it turned out to be one of our favourite vintages. By having total control in the winery and a great team through the vintage we ensured that the fruit was picked at the right time and respected throughout.
