

Mahi

Mahi, meaning 'our work, our craft', began in 2001, fulfilling a dream of ours. After 15 vintages it was time to do our own thing. With a strong focus on single-vineyard wines, and now backed up by a series of premium regional wines from Marlborough, the idea behind Mahi is to respect and promote the individuality of the various vineyards.

The Mahi symbol represents the strength, life and growth of the native New Zealand frond (fern), with the understanding that wine should never be rushed to bottle, respecting its ability to evolve naturally over time.

Variety:	Sauvignon Blanc
Region:	Marlborough
Winegrowing team:	Brian Bicknell, Pat Patterson, our focussed growers and brilliant vintage staff
Alcohol:	14.5 %
Total Acidity:	7.0 g/l
Residual Sugar:	3.12 g/l
Brix at Harvest:	24.0
Harvest:	Handpicked
Harvest Period:	30 th March 2014

Winemaking details

This wine comes from a small hillside parcel on the southeast boundary of the township of Blenheim. The vineyard is run by Perry and Stephanie Gilbert, who also live on the property, ensuring great attention to detail.

The north-facing aspect means that the grapes receive as much sunshine hours as possible helping them to ripen well and are often some of the earlier grapes of our vintage.

The soil structure has a higher percentage of clay, which we have found gives extra weight and interest to the palate, adding texture and suppleness to the wine.

The grapes were hand-picked, whole-cluster pressed and taken straight to French barriques without any chemical additions. It was fermented with indigenous yeast in the barrels, helping to add complexity and texture, without dominating the nose.

The wine was left on yeast lees for eleven months, which were stirred regularly. This meant that the yeast added both savoury notes and also served to work as a natural fining agent. After time in barrique it was gently racked then bottled without fining.

Vintage

One of the things that will be remembered about the 2014 vintage in Marlborough was the very early start, and the early finish.

The other two things that will stick out in our memories of this year were that it was a fecund year, a fertile year, a season of plenty with the vines showing the effects of the great flower initiation in December 2012 and superb flowering conditions in December 2013; and that it was a game of two halves, great conditions up until April the 8th, and damper tones after that. Another year showing unique conditions that continue to educate, excite and humble us.
